

The
Sense of Taste
Specialty Caterers

MENU

The secret of our food starts with the ingredients. We utilize only the finest and freshest ingredients available for designing meals to suit our clients taste, we demand the best raw and finished products from our suppliers and will only give you food that you would be proud to share with your guests.

As a full-service caterer, we have a professional service staff available to pamper your guests.

We are pleased to offer you this menu package to assist you in planning your social or corporate event. Please read through the menu and check the items that excite or interest you most. If you are having a hard time choosing or pairing the menu that suits your event perfectly; give us a call, we would be delighted to describe any of the menu items and help you make choices that will ensure the success of your event. We can advise you on the proper quantities of food and choose the style of service best suited for your event.

The above will be on the website, while the menu below would be downloadable...please note that all downloadable files should have my logo embossed
